CONSEILS D'INSTALLATION :

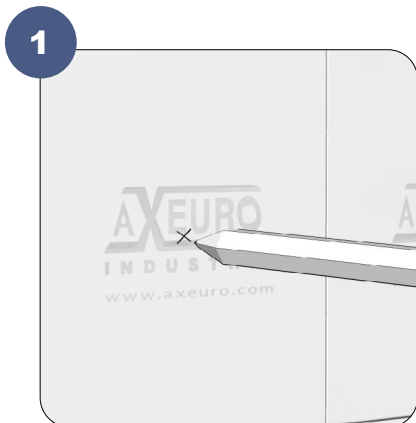

FR

UK

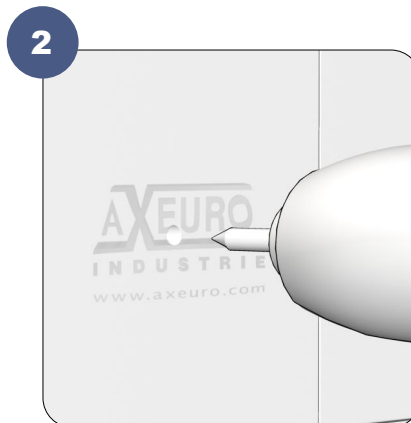

DE

IT

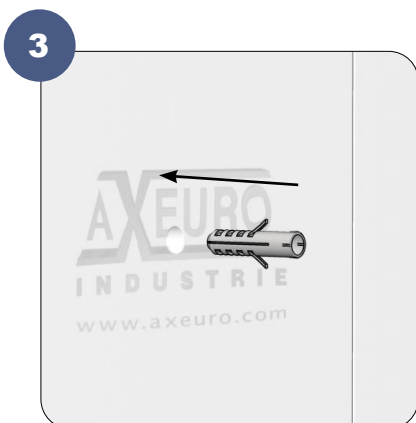

ES

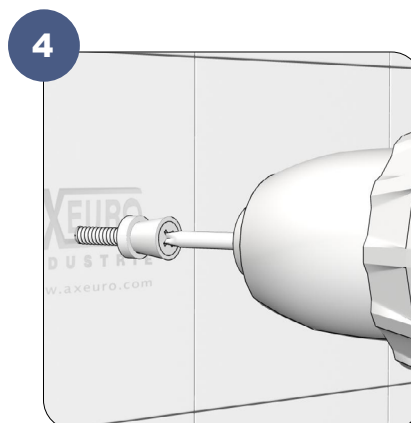

À l'aide d'un crayon, tracer un repère sur le mur.

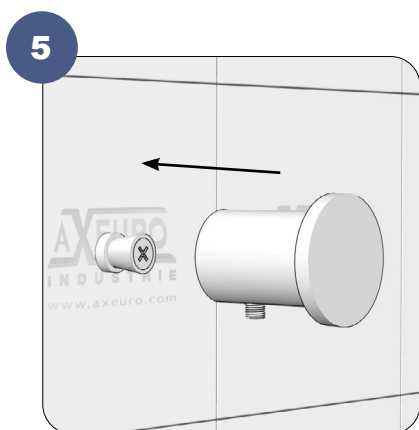

Faire un trou dans le mur (adapté à la cheville) avec une perceuse.

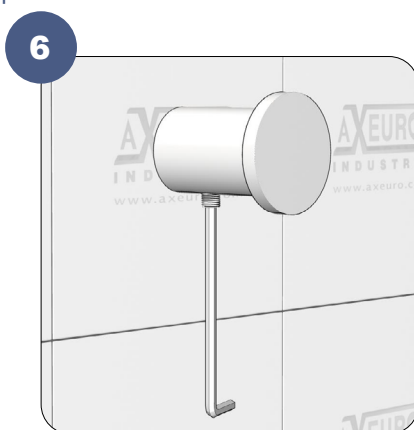

Mettre la cheville dans le trou.
La cheville doit être adaptée au support.

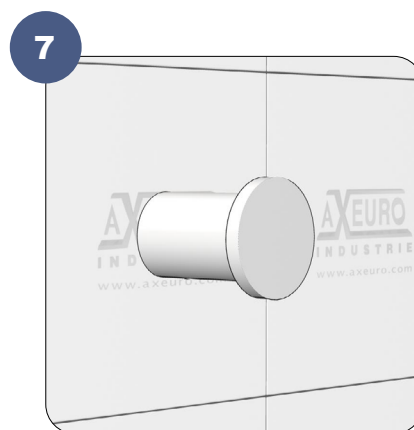

Visser le support de la patère.

Positionner la patère sur son support.

Visser la petite vis de verrouillage à l'aide de la clé Allen. La fixation doit se faire dans les règles de l'art.

Votre patère est installée, vous pouvez à présent suspendre vos effets personnels.

INSTALLATION ADVICE :

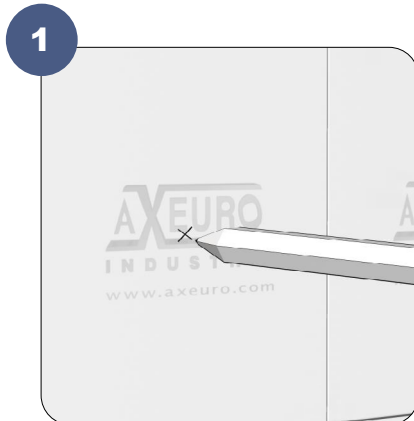

FR

UK

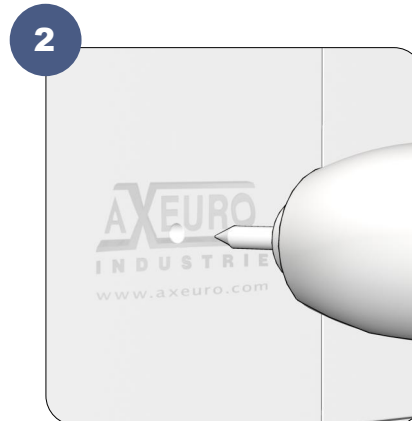

DE

IT

ES

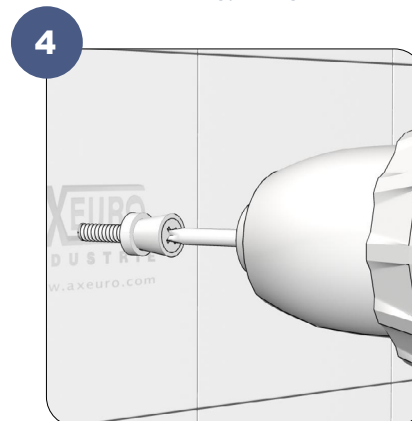

Using a pencil, draw a mark on the wall.

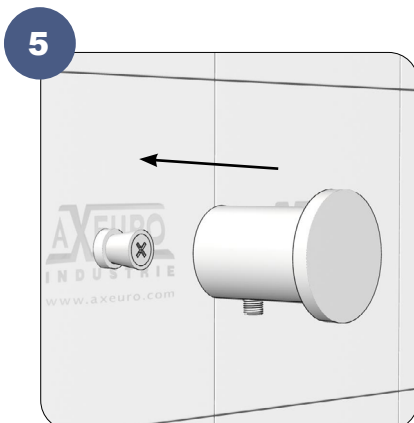

Drill a hole in the wall (suitable for the wall plug) using a drill.

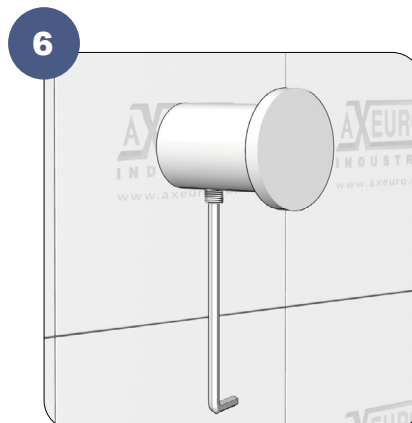

Insert the wall plug into the hole.
The wall plug must be suitable for the surface.

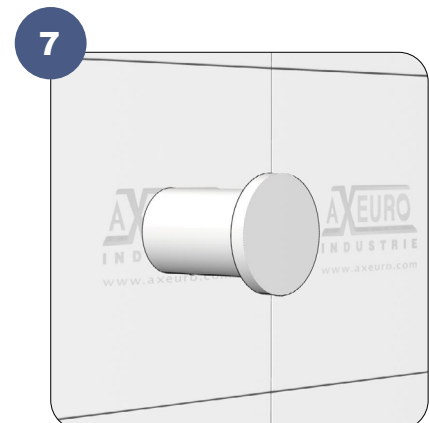

Screw in the coat hook bracket.

Position the coat hook on its bracket.

Tighten the small locking screw using the Allen wrench. Installation must be carried out in accordance with professional standards.

Your coat hook is now installed, you can now hang your personal belongings.

CONSEJOS DE INSTALACIÓN :

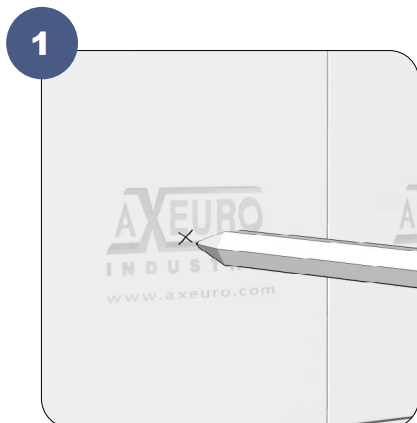

FR

UK

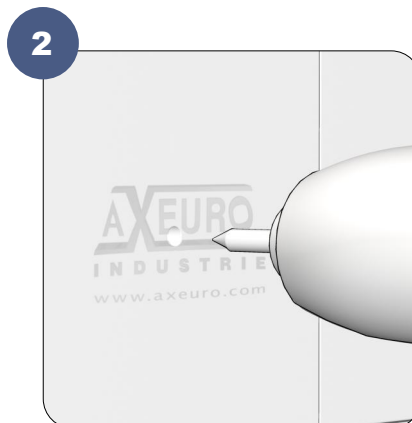

DE

IT

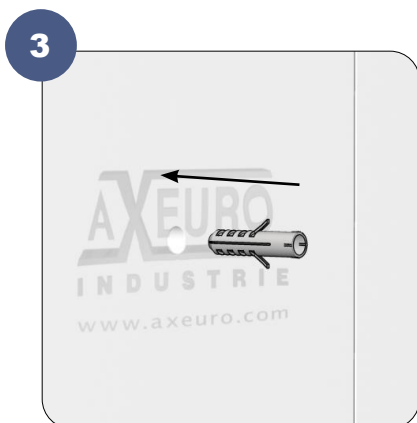

ES

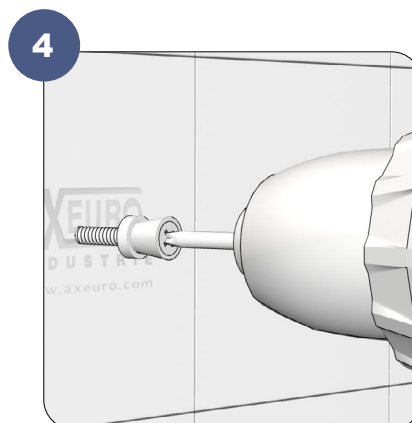

Con la ayuda de un lápiz, trazar una marca en la pared.

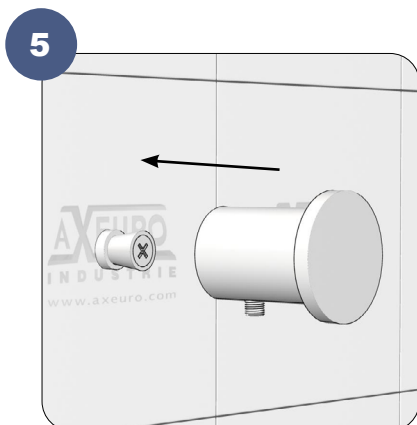

Hacer un agujero en la pared (adecuado para el taco) con un taladro.

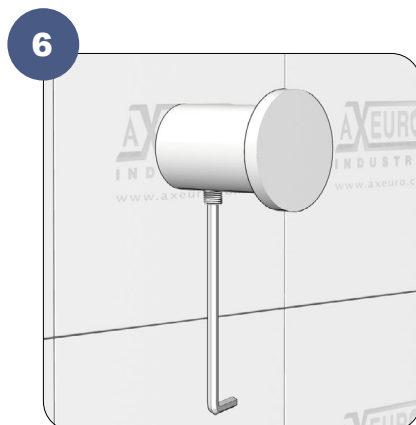

Introducir el taco en el agujero. El taco debe ser adecuado para la superficie.

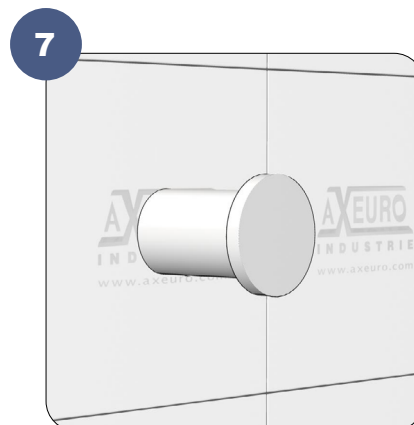

Atornillar el soporte del colgador.

Posicionar el colgador en su soporte.

Atornillar el pequeño tornillo de bloqueo con la llave Allen. La fijación debe realizarse de acuerdo con las normas profesionales.

Su colgador ya está instalado, ahora puede colgar sus efectos personales.
